

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

#### Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Heavenly Father, the Holy Spirit and my Blessed Mother. My Petal, let's continue with our dialogue.

[Fernanda] *My loving Jesus, my Triune God and my Blessed Mother, I am here to ask pardon, forgiveness for this huge interruption as I fell asleep.*

My Petal, I know your heart, your effort to converse with us, but I, your Jesus, see and I am well aware of what happened to you. Your eyes were like [they were] glued. I let you rest for a while. Now we are here to continue with our conversation.

My Petal, my children are going through rough seas in their lives, turmoil, business and financial difficulties, seeking work, losing the comfort of their homes because they are going through the darkest times of their souls – that's when my children feel as though even their souls have deserted them. This is one of the darkest purifications that my children can go through. But my dear children, I am with you in these most difficult times of your purification. You don't see or feel me next to you, but I am. The Triune God and my Blessed Mother [are with you]. If only you would believe, trust and have faith, you would conquer all of this. Focus upon me, my Sacred Heart, and I will lead you, guide you, with the Holy Spirit to the right path in your life.

My child, my Heavenly Father, he is here to converse with you.

#### Father God

My little lamb, I, your Heavenly Father, I am here in conjunction with the Holy Spirit to relay a message.

My little lamb, I, your Almighty Father God, the Creator, I see my people's despondency, discouragement, feeling of failure at this point of time in their lives. Yes, there is so much happening in this world that needs all kinds of healing and is in need of repair. My people are falling into despair and feeling that God, my Son Jesus and Blessed Mother don't hear their prayers, [thinking,] "I pray, pray, and nothing happens." Then they stop praying, not believing in heaven's promise that we give our people all that they need in their lives at the right time. They pray etc., [thinking that] this was the time for them to receive answers to their petitions, then they give up.

My people, I am your Creator, I will never give you a stone to eat. You are my own flesh and blood. Oh my dear people, do not become despondent or despair. I am with you, so is my Son Jesus till the

end of time. Remember, we, here in heaven, we never promise paradise in this world, but strength, courage, hope and faith. Take your cross and follow my Son Jesus, your healer, the Messiah, the deliverer of all your sins, your Eternal Saviour.

### **Holy Spirit**

I, the Holy Spirit, the Paraclete, [am here]. My Son Jesus went [into heaven], but our Father sent the Holy Spirit to be with you. We, the Father, the Son and the Holy Spirit, are undivided, undefiled, the Three-in-one Persons. I live within you, my people. I am the Breath of Life. I am your consoler, your guidance, your teacher. Just call upon the Holy Spirit when you most need help, especially for decisions and guidance, to show you what is the dark, [for it] to come into the light. In your Confessions with our son priests, call me to remember your past and present sins. I live within you. I am very pleased when my people call me for help. I, the Holy Spirit, know your time of your birth and your last breath in this world. Oh, do not fear these, my solemn words, but live in my peace, knowing that I am with you, walking with you in every instant of your life. Do not focus only on your status of this earthly life, but focus on saving and purifying your soul because this is the only gift that you can bring to eternal life – the love, pure sacrificial love, towards us, the Holy Trinity. Amen.

We, the Father, the Son and the Holy Spirit, we give you the blessing, the peace of heaven that surpasses everything, all earthly things. Amen.

### **Jesus Christ**

My Petal, my Blessed Mother, she is here to converse with you.

### **Mother Mary**

My little Andorinha<sup>1</sup>, I, your Blessed Virgin Mother, I am here with you. I came to bring the peace of heaven upon you all, my children, as I see my children falling into despair, heartache because of the turmoil and decay of this world. Yes, my children hide wherever possible from the real truth, the misery of this world. Yes, my children are in denial of the real controversy, what is happening in their surroundings. Yes, it's very painful to watch my dear children turning their backs, their deaf ears to these huge, massive disasters as they see them in the media. Oh my children, they focus seriously on the media, but very few take a holy rosary and pray with fervour and pray intensely for all these disasters, the stress that they feel upon them. Yes, my dear children, pray, pray and surrender to my Son Jesus. "Prayer" is the keyword for all the solutions.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my loving querida Mãe<sup>2</sup>. How I love you so much! Thank you for your suffering, for walking side by side with your Son Jesus during his most excruciating pains. Oh, you knew it had to be for our salvation. I love you Mãe<sup>3</sup>. Sua bênção<sup>4</sup>. ♥♥♥♥xxxx Beijinhos<sup>5</sup>.*

### **Jesus Christ**

Thank you, my Petal, humble servant. I give you my peace, my peace I give you, your loved ones and all my children. Amen.
