

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Heavenly Father, the Holy Spirit and my Blessed Mother Mary. My Petal, I, your Jesus Christ, I am here to relay a message to my children, to this world in decay of sin and much destruction.

My dear children, we, the Father, the Son, the Holy Spirit, the Three-in-One Persons Undivided, we are here with a merciful, compassionate, eternal love, always waiting for the lost sheep, lost souls to be saved. My dear children, my people, there is not much time to be wasted on petty things, quarrelsome anger, unforgiveness. The hour of mercy, the fount of our love is running out of time. We, the Triune God, are [here] with open hearts, our hands are falling upon each one of you with graces to flow upon you all. I, your Jesus of Nazareth, my heart is flowing like a river in abundance for your conversions. I do not force myself into your closed hearts. I knock, knock, knock, I wait for your response. There is no handle on the outside of your heart. You have to open from the inside of your heart. My grace is sufficient to save you, but it is up to you. I bleed, I thirst for your response.

Father God

My dear people, I, your Eternal Almighty Father's and my Son Jesus' love surpasses everything, it's beyond your comprehension. Know, my people, my Son Jesus waits for your own free will to return that love, to let him be the centre of your lives. My Son Jesus of Nazareth cannot force your own free will. Know, my people, that your free will is the only gift that you can offer to him, to his Father, to the Holy Spirit. All the gifts are from heaven, they belong to us, the Triune God. Give yourself, your entire being, to your Saviour. Your burdens are heavy, but my Son Jesus' yoke is lighter to carry you. Oh, there are so many lost sheep scattered all over the world and my people are still running from one side to the other side, searching for the true living God on the wrong path. Oh, the road is rocky and dark because you, my people, are not walking into the light of my Son Jesus. I, we, watch all the horrendous sins. My people are seeing with their own eyes how perfidious this world is at moment, yet they pretend, they ignore the signs upon this world. Oh, what a pain, a thorn. Every day, my people are crucifying my Son Jesus with pains that are worse than what my Son Jesus underwent on Calvary. Oh my dear people, my own flesh, why are you still doubting your Saviour?

We give you our peace, our peace we give you, your loved ones and all our people of the whole universe. Amen.

Mother Mary

I, your Blessed Holy Virgin Mother, I am here asking you, my children, to fix your eyes upon my Son Jesus. In times of despair and despondency gaze your eyes upon the eyes who died for you. Know that the eyes that you ignore, of your God, your Saviour, while he was looking down in tremendous pains, his arms were stretched out on the cross – know that most of the time that my Son Jesus was suspended, his feet were joined together with one huge nail – he was still looking down, his eyes were gazing upon you to let you know that his love was only for you, for your salvation. Oh my dear children, be strong and courageous, [put] faith above any obstacles in your daily lives. Stay with my Son. Join your heart with his heart and your pain will be subsided by his eternal love for you. Dear children, yes, we are aware of your battles, your hardships, but what is impossible with man, nothing is impossible with the Son of Man. Turn your burdens and trials to prayers, then the rocky road will be smooth for you to walk on better soil.

I bless you, your loved ones and all my children. Amen. Thank you for responding to my call.
