

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Heavenly Father, the Holy Spirit and my Blessed Mother Mary.

My dear children, I, your Jesus of Nazareth, the Messiah, the healer of all my children's pains, your Saviour, I am here, repeating again and again, as I desire all of you to know how much I love you all, no exception to anyone. My love for you is unconditional love. I have given my life for you without limits, but I see, my dear children, my pains were in vain. I tremble, my heart pounces to see that many of my children are still in darkness, ignoring all my calls and my Blessed Holy Virgin Mother's. She walks, walks long distances to make you aware of the dangers of this world in decay. Oh, my dear children, if only you knew my Blessed Mother's love for you, you would cry tears of joy, of repentance of all your sins. My Blessed Mother's role is very important in your lives: wherever her Son Jesus is, my Blessed Mother is with her Son and vice versa. Oh, many times my Blessed Holy Virgin Mother is the one who pleads, asking to have mercy upon my children on their judgement day.

My Petal, my Blessed Mother, she is here to converse with you.

### Mother Mary

My little one, I, your Blessed Mother, I am here with you to relay a message.

My dear children, I am here to convey to you all that this is the darkest time of your souls as you are feeling that even your souls have deserted you through trials and hardships at this difficult time as this world is in turmoil. When my children feel that they are walking on a rocky road and there's a stumbling block in front of them and some of you, my children, feel that the boat is sinking and you are drowning, my children, in these times, focus upon my Son Jesus in prayer, come to my Son Jesus' Holy Mass and receive his Precious Body and Blood worthy of him. Allow yourselves to be held in my Son Jesus' loving hands and my Son Jesus will bring you safely ashore from the sinking boat. Let my Son Jesus be the captain of the boat and you be the co-captain. He will be the rower of your boat.

I bless you, your loved ones, and all my children. Thank you for responding to my call. Amen.

### Jesus Christ

Thank you, my Petal. My Heavenly Father, he is here to converse with you.

## **Father God**

My little lamb, I, your Almighty Father, I am here in conjunction with my Son Jesus and the Holy Spirit. Oh my people, we are here, watching all of you from heaven – the decay, the war – my people are suffering pains of war, pains of what my people are inflicting, pains against one another. There are many people dying of hunger, children are malnourished, families are in discord and disunity, people are dying every second of the day, falling into the abyss like snowflakes. Oh, my people have to be prepared at all times as my Son Jesus' Second Coming is near, the End of Times for the new epoch, but they have to understand that they have to change their hearts of rock. Many disasters are happening in this world, the signs of the times are here, in front of them. Do not ignore them, be alert, be alert to the warning, the warning! Do not fear, but have faith and courage. "Prayer" is the keyword to conquer any obstacles in your pathway.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.
