

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

God the Father is waiting for the return of Jesus' stubborn, lukewarm children – pray the Rosary, it's the big weapon to enter heaven

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, my humble servant. I, your Jesus of Nazareth, I am here with you, with my Heavenly Father God, the Holy Spirit and my Blessed Holy Virgin Mother, my Blessed Mother and the Mother of you, my children.

My Mother's love towards all of you, my children, is far beyond your comprehension. You would cry tears of joy if you were to comprehend how much she loves you all. She is being rejected and blasphemed many times, yet she never stops loving you and is always interceding for you, my dear children. My Blessed Mother's role is very massive upon your lives – a Mother who suffers for you when you are condemned, when you are coming to eternity and there is not much in the Book of Heaven to save you, [she pleads for your salvation]. Oh, during your life in this world, my Blessed Mother waits for you to open your heart to her Son Jesus of Nazareth. Yes, there is no handle from the outside of your heart, the handle is from the inside. You are the only one, with your free will, who can open it. Oh, many times she waits for your transformation, conversion. Yes, when you pray the Holy Rosary or any other prayer from your heart, she embalms that prayer with so much zeal and brings it to her Son Jesus' loving heart. Love and respect my Blessed Mother. She deserves all your love and respect. She is your intercessor at all times – just call my Blessed Mother's holy name and she will be standing in front of you with open arms.

My Petal, my Blessed Mother, she is here to converse with you.

Mother Mary

My little Andorinha¹, I, your Blessed Holy Virgin Mother, I'm here to relay a message to my dear children. Oh, my tepid, lukewarm souls – my children who are neither hot nor cold! My Son Jesus died upon the cross for you, the lukewarm souls. His pain was excruciating as he knew that you, my children, would turn away from my Son Jesus Christ, but I, your Blessed Mother, persevered, encouraging my Son, and vice versa, to not give up the cross, but to carry it till the end to Mount Calvary. My dear children, pray, pray, pray. Do not get tired of praying. Hold the holy rosary in your hand – treasure this special weapon as the most precious jewel. It's your salvation and protection. Invite me, your Blessed Virgin Mother, to pray the Holy Rosary with you. It pleases me very much.

This world needs many intense prayers, so do my youth, my children, and my Son's Holy Church. Your prayers are the cornerstone that the builders rejected.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my querida Mãe². I love you. Sua bênção³.*

Jesus Christ

My Petal, my Almighty Father God, he is here to converse with you.

Father God

My little lamb, I, your Almighty Father, I am here to relay a message to my people, my stubborn tepid souls. Here in heaven, we are awaiting your return, for you to recollect the treasures of heaven for one day when your time is accomplished in this world, when you return to the Father's house where you come from, to be seated at the Banquet of Heaven, but very few believe in these, my solemn words.

Oh my people, my own flesh, there is not much time to waste. Our teachings to you all, and Blessed Virgin Mother's to her visionaries, are always the same phrases, words. The aim is to bring you all to her loving Son Jesus' Sacred Heart. Come, my people, let the rays of love, of heaven, of my Son Jesus enter your hardened hearts.

Oh my children, my people, this week you witnessed my Son Jesus' tears, tears of pain here at our Alpha Omega Mission⁴. Yes, my Son Jesus' pains are more and more visible to you all. My people, my Son Jesus manifested to my daughter and the rest of the people waiting for prayers. Yes, my Son Jesus' heart is pierced because of what is happening in this world. Yes, my Son Jesus doesn't want to punish my people, neither do I, your Creator, but how long can a Father see his Only Begotten Son suffer for the sins for which he carried a heavy cross more than 2,000 years ago, for your salvation?

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my Heavenly Father. I thank you for the graces, blessings given to me, my loved ones and all your people whom you love so much, and we are taking this love for granted. Sua bênção.*

Jesus Christ

Thank you, my Petal. I give you my peace, my peace I give you, your loved ones and all my children. Amen.
