

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus Christ

Thank you, my daughter, for waking up to come and converse with me, your Jesus Christ.

My Petal, you are trembling, your heart is pounding. Yes, it's me, your Jesus Christ. My heart pounds with pain for the many disasters that are happening and are going to happen upon this world, disasters without my children's understanding. Oh, my desire is for my children to come to my heart. My aim is to save them all. The blood that I shed on Mount Calvary during my Passion, the blood at the scourging of the pillar, and much more, profusely to wash away their sins, yet today, they are being committed every second of the day. Oh my Petal, you are feeling my pain. My heart trembles, trembles uncontrollably. There are disasters coming down at this moment: cyclones, earthquakes and floods of water. Many countries are going to be destroyed. My children will suffer so much because of the damage done, loss of income etc. Yes, there are many of my children going through [difficult times] without jobs, work. Yes, my children must pray, make novenas, fast, read my Holy Bible and be in prayer. They must not give up on prayer as prayer reaches heaven, even their sighs are heard by us in heaven. Remember, no prayer will be unassisted. When my children pray and they say, "What is the use of praying because nothing happens," yes, my children, your prayers are answered, but you give up on prayer. At that precise moment, all has been mapped in heaven to give to you, but you close the door. Remember, I, your Jesus, and my Heavenly Father, we never give up on you. Even at the last breath of your life, we wait for you to open your heart and to ask us in repentance for forgiveness, to save you at the last minute, but this is your own free will. We cannot force you. We are merciful and compassionate towards you all, my children.

I give you my peace, my peace I give you, your loved ones and all my children. Amen.
