

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Heavenly Father, the Holy Spirit and my Blessed Mother Mary. My Petal, I, your Jesus, I am here with you in conversation.

The time for my Second Coming upon this world is approaching. It's not the "end of the world" as my children say, think and fear, but my Second Coming is a new era, a new beginning, a new epoch. My children still don't believe. As has been written in my Holy Word, the Holy Bible, my children can see the signs, not yet in the sky, but around this world. Yes, some of them they are aware of these signs. My hand is still up because some of my faithful children are praying fervently for this chaotic world, for the many disasters, famines, earthquakes, slides of water, cyclones etc. But, my dear children, through the conversion of your hardened hearts, your prayers and repentance, this can be avoided – the wrath of God can be placated. Here in heaven, we wait for this from you, my children. I tremble, tremble for your salvation. Oh, I desire to see you in my Kingdom. Do not let my excruciating pains be in vain. I did this for you. Come to me. You are mine. My arms are stretched out to receive you. It's never too late. Let the past be the past, start afresh. I am waiting for your response.

My Petal, my Almighty Father God, he is here to converse with you.

Father God

Thank you, my little lamb. I, your Eternal Almighty Father, I am here to converse with you.

Oh my people, they are here in this world, in a vague turmoil about what is happening in this world. They turn a blind eye to the real truth. They must be cognisant of the truth, following the teachings that have been written in the holy true Word. They cannot keep it under the surface. We are not here to cause paranoia, confusion or fear, but to alert them to be cautious, not to fall into blindness, to be prepared at all times, for it to not be like when the robbers come to attack in the dark and your doors are not locked properly.

My dear people, we are the Holy Trinity – the Father the Son and the Holy Spirit. We are the Highest of Heaven and Earth. We are your Creator. We want the best for each one of you, as parents want the best for their children. Yes, I, your Heavenly Father, I gave my Only Begotten Son to save you from Gehenna, to save your souls. My Son Jesus accepted his excruciating pains to suffer for each one of you. What do you call this unfathomable love beyond your comprehension? Focus on your soul, it's for eternity. This world is a passing-by. Work first on your salvation for eternal life. You are

here today, but tomorrow belongs to my Son Jesus, to the Holy Trinity. You do not know when your last breath on this earth will be.

I give you my peace, my peace I give to you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my Eternal Father, my loving Jesus, my Holy Spirit. I love you. Sua bênção¹.*

Jesus Christ

My Petal, my Blessed Mother, she is here to converse with you.

[Fernanda] *Thank you, my Blessed Mother. Happy Mother's Day in heaven and to all the mothers, including my earthly mother in eternity. I thank you, my beautiful, precious, unique Heavenly Blessed Holy Virgin Mother, for all the graces and blessings upon all of us, your children, whom you love so much. Thank you for your protection with your Virginal Blue Mantle. I ask for forgiveness and pardon for the ones who blaspheme your virginity, your love, your Holy Rosary. You are always forgiving us and asking your Son Jesus to have mercy and compassion upon us sinners. I love you, Mother Mary, the Mother of many titles, but the Mother of our Lord Jesus Christ, our Saviour, and our Mother too.*

Mother Mary

Thank you, my little child. Yes, I saw in the media [your post] about Happy Mother's Day to Mother Mary in heaven. It was a beautiful gesture of your love. Yes, my little one, there are many of my children who are ignoring my love for them. I am a mother of love and peace. The Family of Nazareth, yes, St Joseph and Blessed Virgin Mother, we desire all families to be families united in love. Yes, this world is not made of roses, it's the same with couples: they are not perfect, but they can strive to be like the Family of Nazareth, forgiving one another, loving one another, amending their errors and faults. Communication is very essential amongst each other. Begone with the errors and faults of yesterday. Start afresh every day with a new dawn, praying together. The family that prays together will stay together. The enemy will not have access to that family. The power of the Hail Mary is a thorn upon Satan.

My little one, you went with your loved ones in harmony and unity for a meal. This was destined by us here in heaven – you are aware of the reason on this special day. Oh, on this day, many mothers didn't have anyone to celebrate with them. Some of them were lonely. Yes, in their hearts they always love their loved ones, forgiving them and waiting for them to come one day and be with them. Today my children are young, but one day, they could be waiting for the same thing.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed Holy Virgin Mother. I love you. Sua bênção. ♥♥♥♥xxxx Beijinhos².*

Jesus Christ

Thank you, my humble servant. I give you my peace, my peace I give you, your loved ones and all my children. Amen.

♥ Our heart from heaven. Amen.
