

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Heavenly Father, the Holy Spirit and my Blessed Mother Mary.

My Petal, I, your Jesus, I am here to converse with you at this time of my children going through heartbreaking pains in some parts of the world. What happened in Nepal, in its surroundings... Yes, my children must not just focus on themselves. Many of them they are going through a difficult time as many of them, my children, have lost their loved ones, family, neighbours, brothers and sisters in Jesus Christ. These souls have come to eternal life without having had time to repent and to ask for forgiveness for their most horrendous sins, crimes. Yes, my children are going through the most difficult times of their lives. Yes, the neighbouring countries, the ultimate recourse is to be on the lookout for big disasters coming without my children's comprehension. The hand of God is always there to rescue my children, but my children must be alert, knowing the parable of the lamps with the oil¹. My children must not neglect this parable – it's part of the teachings from us here in heaven. The door was shut when they went out to get the oil. My children must be ready every day. The world must be prepared for the outcome of the next avalanche, flood, earthquake, as this is permitted to happen. Yes, the little ones, the innocent, are suffering in many different ways because of these huge, massive disasters.

My Petal, my messenger, my Heavenly Father God, he is here to converse with you.

Father God

My little lamb, I, your Almighty Father God, I am here to converse with you.

My humble servant, my people are undergoing huge, massive heartache. Yes, my Son Jesus and Blessed Virgin Mother can see the extent of the damage in the country of Nepal and every country that is in extreme danger of disasters, but many times, my people want to be God. There is nothing that can separate them from seeing the wrong they are doing to each other [because of] greediness, seeking status and power, knowing the danger that they can cause upon this world, to each other. My little lamb, yes, you were praying intensely the prayer given to you for the big disaster – with a magnitude 9.2 – not to happen in this world². Pray the way you prayed to placate the intensity of the

big disasters. There is not much time for the innocents to be spared from certain pains. Yes, we, the Father, the Son and the Holy Spirit, we are merciful and compassionate towards my people, this world. The hand of God through the Son of Man has been waiting for too long. My people must not make a mockery of the *designios*³ of God. Yes, the mystery of God belongs only to God. [His hand] will fall without much time, warning. The sky could be light blue, but in a second, it could turn to darkness in my people's lives.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my Almighty Ultimate God, my Saviour Jesus Christ, my sweet Holy Spirit. I thank you. I love you. Sua bênção*⁴.

Jesus Christ

My Petal, my Blessed Mother, she is here to converse with you.

Mother Mary

My little child, thank you for today as you went to pray over, upon, these, my children. The Holy Spirit prompted you to go and pray. Yes, these, my children, are going through a difficult time with my son _____'s darkest, unconfessed sins tormenting his mind and him not being able to rest at night. Yes, there is a specific prayer that you prayed because of unforgiveness. Yes, their loved ones in eternity need prayers, Holy Masses, as they came to eternal life not talking to one another. My devoted daughter is going through this most difficult time with her spouse and she herself is very ill. I will help through my intercession to my Son Jesus Christ. Yes, my Son Jesus' healing hand will be placed upon her through her operation. All her prayers, Holy Rosaries, have been taken care of in the abode of my Son Jesus' heart. Once upon a time, this family, my children blessed you in a different way, for which you are very grateful. Pray for them. My Son Jesus' hand is upon this entire family.

My child, you are aware of the necessity of prayer upon my children who are coming to see you because many of my children are losing their income, in loss of business. Yes, your heart aches for my children as you have been there, in the same situation, many years before. But you took it in your heart, accepting what was out of your control – yes, you knew it was God's will and never asked questions – why, why? As you said, my Son Jesus never forsook, never abandoned you and your loved ones. You were never without a roof over your head or without food or essentials to live in this world. Yes, continue to teach and encourage my children to believe, trust and persevere in my Son Jesus' providence – the manna from heaven.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed Holy Virgin Mother. I love you. Sua bênção*.

Jesus Christ

Thank you, my humble servant. I give you my peace, my peace I give you, your loved ones and all my children. Amen.

♥ Our heart from heaven. Amen.
