

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Heavenly Father, the Holy Spirit and my Blessed Mother Mary.

My Petal, I, your Jesus, I am here to converse with you as my Sacred Heart pounces and trembles for my children. They are going through heartache in many different ways within themselves. My children must learn to pray, pray with all their hearts, knowing that by the end of the day, they must surrender all their burdens to me, Jesus Christ, the Saviour, the healer. How many of my children ignore the name of Jesus Christ. They sometimes blaspheme the name of Jesus Christ. Nonbelievers are using the name of Jesus Christ in vain. I am the same Jesus Christ of yesterday, tomorrow and today. My love for my children is unfathomable towards my children. My love, my Word is the same for each one of them. My children must pray and believe. Trust, trust always. My love never fails. My love endures forever upon each one of my children, but at this precise moment, when my children are in despair and despondent, they turn away from the principles of their strength and courage, the Divine Will of God.

My Petal, my Heavenly Father, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father, I am with you at this hour. I do know about your fatigue, tiredness at the moment.

You are aware of the will of God in your life and in all my people's – if only they would allow God to be God in their lives and let themselves be guided by the power of the Holy Spirit, especially [when it comes to] disasters. Yes, my people see with the eyes of the flesh, avoiding the eyes of the heart. My Son Jesus Christ's real presence in the celebration of the sacrifice of my Son Jesus' Holy Mass, his Precious Body and Blood, is ignored by many of my people – this massive sacrifice of my Son Jesus Christ's Holy Mass to sanctify you all [with his] Body and Blood.

My people, don't waste your time. Search within your hearts for the meaning of life. When you are at a crossroads, instead of asking God, "Why, why, why did this happen to me?", you, my people, must look deep within your hearts and see the many blessings you have received from God.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving Father. I love you. Sua bênção*¹.

Jesus Christ

My Petal, my Blessed Mother, she is here to converse with you.

Mother Mary

My little one, I, your Blessed Mother, I am here to relay a message of my love towards my children. I am your Blessed Mother, full of grace. I come to transmit this message of love as you, my children, are asking in times of trials, tribulations and hardships, questioning and doubting the love of the Father, the Son and the Holy Spirit, oh, many of times. During the course of the day, how many times, have you been spared from dangers in your daily life? How many times my Son Jesus patiently waits for you when you sin, for you to come with a contrite heart and ask forgiveness for your sinful life! His love is unfathomable, ready to forgive you, but do you ever return [that love] in humility of heart and ask the Holy Trinity for pardon and amend your sins? Yet they are always ready to protect and bless you in many different ways. Oh, you don't see this love. My children without hardships, trials and sacrifices in your daily lives, there is no glory for you one day in heaven. My Son Jesus paid the price with his life for you. The Holy Trinity's love and my love for each one of you is beyond your understanding. We are peace, love and joy upon you all. Love your God, your Lord Jesus Christ, with your whole your heart in good and bad times.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed Holy Virgin Mother and my Holy Trinity. I love you with my whole heart. Sua bênção, ♥♥♥♥xxxx Beijinhos*².

Jesus Christ
