

Pray the Divine Mercy Chaplet

The Divine Mercy Chaplet is a powerful prayer that our Lord Jesus Christ gave to St Faustina in 1935 for us to pray.

Meditation

Mother Mary: “My dear children, you can pray the Divine Mercy Chaplet for any intention: you can add the souls of purgatory and the most abandoned ones or any other intentions. Include this prayer as my humble servant prays for the dying of this hour, the moribunds: ‘Father, when your Son Jesus brings these, your children, in front of your throne, my Father, have mercy and compassion on these souls. Save them.’ This is a powerful prayer to save many souls from perishing.” ([03/04/2016](#))

How to pray the Divine Mercy Chaplet

Start the Divine Mercy Chaplet by blessing yourself with the **Sign of the Cross**. Then say:

You expired, Jesus, but the source of life gushed forth for souls, and the ocean of mercy opened up for the whole world. O Fount of Life, unfathomable Divine Mercy, envelop the whole world and empty yourself out upon us.

Repeat three times:

O Blood and Water, which gushed forth from the heart of Jesus as a fount of mercy for us, I trust in you.

Say the **Our Father**, **Hail Mary** and the **Apostles Creed**.

[A] Start **Decade i** by saying:

Eternal Father, I offer you the Body and Blood, Soul and Divinity of your dearly Beloved Son, our Lord, Jesus Christ, in atonement for our sins and those of the whole world.

[B] Then, repeat ten times:

For the sake of his sorrowful passion, have mercy on us and on the whole world.

Repeat [A] and [B] for **Decades ii, iii, iv** and **v**.

Truly trust Jesus

Conclude the Divine Mercy Chaplet by saying three times:

Holy God, Holy Mighty One, Holy Immortal One, have mercy on us and on the whole world.

Then say the closing prayer:

Eternal God, in whom mercy is endless and the treasury of compassion – inexhaustible, look kindly upon us and increase your mercy in us, that in difficult moments we might not despair nor become despondent, but with great confidence submit ourselves to your holy will, which is love and mercy itself.

Bless yourself by making the **Sign of the Cross**.

It's a warfare at death: pray the Divine Mercy daily for the dying

"Thank you for helping my daughter _____ to come to eternity as her time is approaching for her last breath on earth. You spent all night in prayers, rebuking many spirits in my daughter. Oh, she was in a warfare with many kinds of spirits. You prayed and rebuked them in my holy name.

"Yes, my Petal, you have been used as my little instrument in my daughter's life. You were obedient to the Holy Spirit in prompting and rebuking, praying against the enemy's evil spirits in my daughter, as before in many of my children's lives during their passing to eternal life. My child, you were in warfare, praying all those prayers, calling the holy saints to be with you. Do you remember, you asked the Holy Spirit to enlighten your mind, to pray upon my daughter _____ ?

"Oh my child, the scratches: it wasn't you that caused them, as my children, the nurses, were accusing you of. Oh, the enemy was trying to cause you some doubt.

"I thank you for calling us, the Triune God and praying, blessing yourselves with the Sign of the Cross a few times. Oh, the enemy, he was furious because you saved my daughter's soul. Oh, what an amazing night, as you conquered the evil with the power of the Father, the Son and the Holy Spirit. Amen." (Jesus Christ, 31/05/2017)

"Oh, heaven rejoices! Alleluia, alleluia, alleluia, many souls have been retrieved on earth through the Divine Mercy Chaplet being recited on my people's deathbeds or any day during their lives. Even if it was just one time that they heard the prayer being recited, it's valid on the day of their last breath on earth. My people, treasure in your hearts this unique prayer of love, forgiveness and pardon of your most horrendous sins, as you completed the feast of Jesus' Divine Mercy today." (Father God, 16/04/2023)

It's a battle for your soul at your death

"My children must listen attentively as my son Richard describes it, how he was dragged there. He didn't even see the face of God the Father, God the Son and God the Holy Spirit. He was dragged, and the enemy was luring him to fall into his trap of lies. Oh, the evil can disguise himself in many ways to confuse my children, even in eternity.

"My son Richard has said that he was feeling a presence with him. Yes, his guardian angel, he was there and I was also there to help him to be strong, for him not to fall into the trap of the enemy. Yes, he couldn't see us, but my Immaculate Heart was pouncing for my son Richard's soul to be saved. Yes, my child, it's a terrible warfare at that precise moment. When my children come to purgatory, even to the last level, with prayers and their purification in time to come, they can come to heaven. It also depends on their aggravation of sins, but in hell, it is very painful to see those creatures screaming.

"Once upon a time these souls were in a good place to see the Face of God, and my children, as they were growing – as a child, then a youth, then an adult – and they let themselves fall into so much sin. Oh, these, our children, they belong to the Holy Trinity, and they are loved by the Holy Trinity and me, their Mother, the Mother of their Saviour.

"My little one, remember how many times our messages consisted of our aim being to save my children's souls, for them not to fall into the trap, temptation, of the evil tricks. My children must pray and amend their sinful lives while on this earth. Our hearts pounce when we see our children are dragged by the enemy at the time of their last breath on earth. Oh, what a battle! Their guardian angels, they are also there to defend them, but their sins are too much and the enemy is there like a fox to catch the prey." (Mother Mary, 19/06/2017)
