## **2020 FIM Junior Motocross World Championships Cancelled**

It is with great regret that the FIM and Infront Moto Racing have to announce that the 2020 FIM Junior Motocross World Championship, originally scheduled to take place on 8 & 9 August in Megalopolis, Greece, will not be taking place this year.

Due to the ongoing COVID-19 pandemic and the global restrictions put in place for safety reasons, many of the 2020 events have been forced to be rescheduled to a later date.

Regarding the FIM 85cc and 125cc Junior Motocross World Championships and the FIM 65cc Junior Motocross World Cup organised for young riders from all over the world, the event could not be rescheduled beyond the end of August, as many of the riders aged between 10-17 years old will be back at school / college, and it was considered that their education remains the absolute priority.

We look forward to 2021 when we will see the return of the highly anticipated youth event.

Infront Motoracing would like to thank the FIM, AMOTOE, the local organiser, as well as all participants and our fans for their continued support during this difficult period.

---

### **About the FIM ([www.fim-live.com](http://www.fim-live.com))**

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 112 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994
