### 5. Classes:

5.1.1 A rider must be capable of lapping Zwartkops faster than 1:25.0 seconds. Riders that are slower than this lap time are encouraged to attend more track day sessions before entering Bridgestone Challenge.

5.2 The classes are as follows:

<b>Zwartkops</b>	
<b>Class</b>	Time
600cc from	01:06.00
To	01:25.00
1000cc from	01:06.00
To	01:25.00

<b>Ladies class</b> – All female riders	
<b>Masters class</b> – All riders born before 1 January 1975	

Riders in the Ladies and Masters classes will score points in these classes as well as classes 600cc and 1000cc. Only points scored in classes 600cc and 1000cc will count towards the overall championships.

- 5.3 If a rider changes motorcycle to a different capacity motorcycle and/or significantly modifies his/her existing motorcycle then the rider may be re-classed based on the capacity of the motorcycle. The onus is on the rider to inform the committee if he/she has changed motorcycle or significantly modified his/her existing motorcycle.
- 5.4 If during the same season a rider breaks his/her class time by lapping faster in **any two different sessions** (qualifying, race 1 and race 2 are defined as sessions), the rider will be encouraged to move to Bridgestone Superbikes. If a rider exceeds the lap times in at least 4 laps in a session, then the rider will be encouraged to move to Bridgestone Superbikes.
- 5.5 If a rider breaks his/her class time after the 4th event of the season (and provided the rider does not change motorcycle), the rider will not move to the Bridgestone Superbikes class and will remain in his/her class for the remainder of the season. Example – A rider has competed in events 1 through 5 (i.e. 5 events) and at the 6th event this rider breaks his/her class time, rule 5.5 will apply and this rider will not move to Bridgestone Superbikes.
- 5.6 A rider may apply in writing to the Bridgestone Challenge Committee to be re-classed if the rider has changed to a smaller capacity motorcycle. The committee's decision is final.
- 5.7 If a rider is a first time rider in the Bridgestone Challenge and exceeds the lap time in qualifying, the rider will not be allowed to compete in the Bridgestone Challenge.
- 5.8 Riders that break the lap time are encouraged to race in Bridgestone Superbikes. A rider that breaks out of the lap time will no longer be eligible to enter Bridgestone Challenge for the remainder of the season, except if 5.5 applies. A rider will carry his/her overall and class points into Bridgestone Superbikes but with the reduced percentage as per rule 6.3, if he/she breaks out, based on point 6.3.

## 6. Scoring:

6.1 Points will be scored per race and separately in each class. Points will be scored per class as follows:

1 <sup>st</sup> – 25 points	6 <sup>th</sup> – 10 points	11 <sup>th</sup> – 5 points
2 <sup>nd</sup> – 20 points	7 <sup>th</sup> – 9 points	12 <sup>th</sup> – 4 points

5 <sup>th</sup> – 11 points	10 <sup>th</sup> – 6 points	15 <sup>th</sup> – 1 point

If there are three or less competitors in a class then points will be scored as follows:

Only 50% of original points table.

- 6.2 A rider must be classified as a finisher on the results in order to score points.
- 6.3 If a rider changes class then based on the below table he/she will carry the specified percentage of points (rounded to the nearest point) to the higher class.

Event	Points percentage carried
After the first event	100%
2 <sup>nd</sup> Event	90%
3 <sup>rd</sup> Event	80%

- 6.4 Points will be awarded to the first 15 finishers at an event towards the overall championship per race.

Example: A rider finished race one 1<sup>st</sup> and race two 3<sup>rd</sup> his total points towards the overall championship will be 15+13 = 28 for the event.

1 <sup>st</sup> – 15 points	6 <sup>th</sup> – 10 points	11 <sup>th</sup> – 5 points
2 <sup>nd</sup> – 14 points	7 <sup>th</sup> – 9 points	12 <sup>th</sup> – 4 points

- 6.5 All races (even non-Zwartkops races) score points and count towards the championship.
- 6.6 A rider may elect to not score points. The points will then be scored as if the rider did not compete in the championship.  
This is for a rider joining for one or two races who doesn't want to affect the championship, and are only there to have fun.  
The rider needs to put this in writing before Race 1.
- 6.7 Reserved.
- 6.8 Riders that join the series at the 7<sup>th</sup> event or later, will be classed as per the rules and will be eligible for trophies however these riders will not score points towards the championship. The points will be scored as if these riders had not participated.

## 7. Starting order

Race 1 – best lap in qualifying

Race 2 – race one finishing order

- 7.2 If there are exceptional circumstances (such as extreme weather), the committee may elect for the competitors to start in class in championship order.

## 8. Trophies

Although points will be scored on a per race basis, trophies are awarded on the combined race times of race 1 and race 2 (or race 3 in the event that there are three races on a day). Trophies will be awarded at the discretion of the promoters. Ladies and Masters Class will ONLY have 1<sup>st</sup> overall for both on the day and the year as they take part in the classes already. Riders are urged to enter early for each race before trophies are ordered. The number of trophies will be dependent on the number of riders entered.

## 9. Special Guest Riders:

Special guest riders (with higher than regional status) may be allowed to take part in specific events with the permission of the committee.
