However, in order for the Championship to be declared, the Championship must still meet the minimum criteria in terms of number of events run with the minimum number of eligible starters per event.

- 11.5 A competitor, who has come under starter's orders but fails to qualify as a finisher, shall be awarded five (5) points less than the last finisher with a minimum of 0 points.

If this is not effective, the Motorsport South Africa Western Cape Regional Committee shall declare the winner on any basis it may deem fit.

18. AMALGAMATION OF CLASSES

18.2 Senior Max and Master Max:

- a) Senior Max & Master Max will qualify together and the grid for heat 1 is determined by qualifying times from fastest to slowest regardless of class (Senior Max or Master Max).
- b) A competitor who fails to set a qualifying time, will start at the back of the grid irrespective of his/her class.
- c) Points will be scored separately per class (i.e. Senior Max and Master Max separately, each have their own championship) and each class must have their own minimum of six (6) eligible starters to qualify for Regional Championship status.

19. **SOCIAL MEDIA**

Social media, including, but not restricted to, Facebook, Instagram, Twitter, WhatsApp etc. is a powerful and wide-reaching medium for the expression of views and opinions, and the sharing of photographs and videos. As such, competitors should be aware that their conduct on social media regarding MSA, the Championship, the Club, its drivers and sponsors should reflect the impact social media has. If a competitor is considered to have brought the Championship and/or MSA into disrepute in the opinion of the Championship Controllers, they may be subject to a penalty or disqualification from the championship. Additionally, competitors are reminded that MSA monitor social media and any remarks that are deemed to bring the sport into disrepute can lead to penalties. For clarity, it is accepted that crashes are an inevitable feature of motor-racing and the posting on social media of imagery containing a crash does not bring motorsport into disrepute, but competitors are reminded that careless associated comments may do.
