.....
.....
.....

POSITION IN MOTORSPORT (if applicable)

PARTICIPATION IN ADMINISTRATION OF MOTORSPORT:..... See attached cv

.....
.....
.....

Nominee's views regarding MSA's future role in the control and administration of motorsport:

MSA need to move away from just being a controlling body and needs to have an active role in the promotion and growth of the sport in all areas. MSA also need to be more aligned in the activities of the FIA and participate in more of the FIA as MSA is the largest sporting authority in Africa.....

Professional Summary

I am determined and passionate in everything i do in order to make it a success. i believe that through communication and understanding anything is achievable as long as you prepared to give everything you can to achieve the end result you looking for.

Employment History

Managing Director at D.A.W. Racing UK

Oct 1992 - Dec 1995

- Contributed to the creation of company and set out objectives which we achieved in 1995 by winning the British Formula 3 class B championship with our driver Duncan Vercoe.
- Functioned with a resilient spirit, resulting in the ability to bounce back after setbacks.

Purchasing Manager at D.A.W Supplies

Feb 1996 - Oct 1999

- Organized and prioritized work to complete assignments in a timely, efficient manner.
- Negotiated with suppliers on bulk orders

Partner at Allround Automotive

Feb 2000 - Present

- i am a silent partner in this company. I hold 50% shares in the company but leave the running of the company to my partner.

Managing Director at Universal Products

Jan 2000 - Present

- Contributed to the creation of the company
- Received constructive criticism well and turned it into an opportunity to grow and improve our products in order for the company to become South Africa's largest exporter of 356 replica cars.

1992

Motorsport History

Karting

1982 – 1989

i competed in karting from the age of 8 years old till the age of 15. i competed in 100cc juniors and 100cc stocks. i received my regional colors during this time.

Formula GTI

Nov 1990 - Dec 1992

Having competed my first Formula GTI race on my 16th birthday i continued in the series till the end on 1992 having finished second in the championship in my final year in the class. It was a fantastic opportunity to compete against the best drivers in the county at that time

British Formula Renault/ British F3

1993 – 1995

Became the first South African to win a British Formula Renault race and won the "champion Rookie of the year Trophy" which was previously won by Alain Prost and Ayrton Senna. And was awarded National Colours

1994-1995 was a difficult time as we moved up to F3 with a small team looking on taking on big names in the sport such as Paul Stewart Racing, West Surrey and Alan Docking Motor sport.

Satcar

1997 – 1998

Competed in SATCAR in a private entered Toyota which was built by ourselves.

Formula Ford Duratec

2002 – 2003

Shelby Can Am

2004

2004 National Shelby Can AM Champion

Bridgestone Production Cars

2005 - 2007

Competed in Class B Production cars in the diesel Mercedes
And moved to the factory Mini Team for 2006/7 season

Historic Championship

2008 - 2009

Designed and Built a Lola T70 which we competed in the pre 77 championship. We mainly used it to develop our replica prior to manufacture for export.

Was also elected to the Pre 77 Sports and GT committee

Karting

2010 - 2019

During this time i have engineered my son who is competing in karting. I believe i was one of the driving forces behind the scenes in making Rok Cup what it is today.

I was elected as a member of the Northern Regions Karting Committee during this period.
