FIM Endurance World Championship

24 Heures Motos rescheduled for 29 and 30 August 2020

The 43rd edition of the 24 Heures Motos, initially postponed to 5 and 6 September 2020 due to government restrictions following the coronavirus outbreak, has now been rescheduled for end-August.

The 24 Heures Motos and 24 Heures du Mans (which has also been postponed, to 19 and 20 September 2020) are two iconic races organized by the Automobile Club de l'Ouest. In order to give the ACO sufficient leeway to organize these two major events within a short span of time, Automobile Club de l'Ouest, in agreement with the Fédération Internationale de Motocyclisme (FIM) and the FIM EWC promoter Eurosport Events, has decided to bring the dates of the 43rd edition of the 24 Heures Motos forward to 29 and 30 August 2020.

The FIM, Eurosport Events and ACO's priority is to ensure the safety of spectators, teams, competitors and all the people involved in organizing the event, as well as high-quality events. These measures have been adopted in response to the unprecedented situation of the fight against coronavirus.

About the FIM (www.fim-live.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 111 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
