FIM Grand Prix World Championship 2020 Calendar, UPDATE 2 APRIL

SHARK Helmets Grand Prix de France postponed

Due to the ongoing coronavirus outbreak, the event at Le Mans has been postponed

The FIM, IRTA and Dorna Sports regret to announce the postponement of the SHARK Helmets Grand Prix de France, which was set to be held at the Bugatti Circuit in Le Mans from the 15th to the 17th of May. The ongoing coronavirus outbreak has obliged the event to be rescheduled.

As the situation remains in a state of constant evolution, new dates for the French GP and the recently-postponed Gran Premio Red Bull de España cannot be confirmed until it becomes clearer when exactly it will be possible to hold the events.

A revised calendar will be published as soon as available.

About the FIM (www.fim-live.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 111 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
