FIM Grand Prix World Championship

2021 calendar, UPDATE 14 May

Michelin® Grand Prix of Styria added to the calendar, 2021 Grand Prix of Finland cancelled

The FIM, IRTA and Dorna Sports announce the cancellation of the 2021 Grand Prix of Finland. The ongoing Covid-19 pandemic, as well as resulting travel complications to Finland, have obliged the cancellation of the event.

However, Dorna Sports is happy to announce an extended five-year agreement with the Grand Prix of Finland, assuring the stunning new KymiRing a place on the calendar until at least 2026.

In addition, the FIM, IRTA and Dorna Sports are thrilled to announce the Michelin® Grand Prix of Styria will be added to the 2021 calendar. The event will take place at the Red Bull Ring from the 6th to the 8th of August, the weekend preceding the Austrian Grand Prix.

The Styrian Grand Prix was first celebrated in 2020, with a history-making premier class race cementing its place in the history books alongside the Austrian Grand Prix.

In more good news for fans, in agreement with local authorities and whilst adhering to all required health protocols, both the Styrian and Austrian Grands Prix expect to welcome a limited number of spectators back through the doors this season to enjoy the best of MotoGP™ at one of the most beautiful tracks in the world: the Red Bull Ring.

About the FIM (www.fim-moto.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 115 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
