FIM Long Track World Championship

2020 Calendar UPDATE 30 March

Given the ongoing circumstances and restrictions associated with the Coronavirus disease (COVID-19) pandemic, The FIM, the German Motorcycling Federation (DMSB) and the local organiser (MSV Herxheim) regret to announce the cancellation of the opening event of the 2020 FIM Long Track World Championship that was scheduled to take place on 21 May, in Herxheim, Germany.

Unfortunately it will not be possible to reschedule this event; all parties continue to monitor the situation and will communicate about the updated calendar once it is possible and appropriate to do so.
