FIM MXGP/MX2/ Women's Motocross World Championships

2020 Calendar UPDATE 15 APRIL

The FIM and Infront Moto Racing would like to inform that there have been further changes made to the 2020 MXGP racing calendar.

Due to the global situation of the COVID-19 pandemic, further changes have been made in order to ensure the health and safety of the staff, teams, riders and fans. Infront Moto Racing alongside with the FIM, FIM Europe and the local organisers are working hard to preserve as much of the 2020 FIM Motocross World Championship calendar as possible.

First update involves the MXGP of Russia, due to take place on the 7th of June at the Orlyonok venue as it will now be postponed to the 5th of July, while the MXGP of Latvia will move from the 14th of June, with the event taking place at the popular Kegums circuit on the 12th of July.

This also means that the MXGP of Italy in Maggiora planned to take place on the 5th of July, will now be moved to the 19th of July, with the MXGP of Trentino being postponed to the 4th of October. Additionally, the recent announcement by the French government also means that the MXGP of France scheduled on the 28th of June, will take place at a later date, with an announcement being made following the development of restrictions that have been put in place.

We would like to thank the FIM, FIM Europe, the Motorcycle Federation of Russia (MFR), the Latvian Motorcyclists Federation (LaMSF), The Italian Motorcycling Federation (FMI), the French Motorcycling Federation (FFM), as well as the local organisers, Kristers Sergis & Motocenter Zelta Zirgs (MXGP Latvia), MOTOCLUBARCO ALTOGARDA OFFROAD & Crossodromo il Ciclamino (MXGP Trentino), A SPORT GROUP (MXGP Italy) and Motoclub Angerien (MXGP France) for their cooperation during this time.

With the current situation worldwide, these changes have been unavoidable, and we would like to thank you all for your understanding as we continue to monitor the situation and take it day-by-day.

About the FIM (www.fim-live.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 112 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
