**2020 MXGP Calendar Update - 18 March**

## **MXGP of Italy and Germany rescheduled**

The FIM and Infront Moto Racing would like to inform that there have been further changes made to the 2020 MXGP racing calendar.

The MXGP of Italy, taking place at the legendary Maggiora circuit, will now be rescheduled from the 17<sup>th</sup> of May to the 5<sup>th</sup> of July. Alongside, the MXGP of Germany in Teutschenthal will move from the 24<sup>th</sup> of May to the 9<sup>th</sup> of August.

With the current pandemic of the coronavirus, these changes have been vital in order to ensure the health and safety of the staff, teams, riders and fans. Infront Moto Racing along with the FIM, FIM Europe and the local organisers are working hard in order to preserve the FIM Motocross World Championship calendar as much as possible.

The FIM Motocross World Championship is planning to return with the MXGP of Russia taking place at the impressive Orlyonok venue on the 7<sup>th</sup> of June 2020. We would like to thank you for your understanding and cooperation during this time.
