FIM MXGP/MX2/ Women's Motocross World Championships

2020 MXGP Calendar Update - MXGP of Patagonia, Argentina new date!

The FIM and Infront Moto Racing are glad to inform that a new date for the MXGP of Patagonia, Argentina, which was recently postponed, can now be revealed as it's bound to be held in Neuquen on November 21st and 22nd 2020.

Infront Moto Racing along with the FIM, the local organiser +Eventos SA, as well as the Argentinian authorities have worked close to find an alternative date for this event.

This new date will now see the FIM Motocross World Championship calendar extend, but this change was necessary in order to preserve the championship programme as much as possible.
