2020 MXGP Calendar Update - 16 March

2020 MXGP Calendar Update: MXGP of France, Indonesia and Asia update

The FIM and Infront Moto Racing would like to inform that the MXGP racing calendar has seen further changes. Due to the global outbreak of the coronavirus, public safety of all involved has been put at the forefront which means certain events have been forced to be pushed back to a later date.

The MXGP of France due to take place on the 9th-10th of May will now be moved to the end of June and will go ahead in St Jean d'Angely on the 27th-28th of June. This change means that also the MXGP of Indonesia in Jakarta will now move from June to 31st October-1st November. Meanwhile the second round of the Indonesian trip will be held as the MXGP of Asia on November the 7th-8th, whose location will be announced shortly.

These new updates of the 2020 FIM Motocross World Championship Calendar were possible thanks to the complete cooperation with the local organisers, Motoclub Angerien, PT Supersport Sensasion International (SSS) and Lightning Production and PT ARENA SIRKUIT INDONESIA, the national federations and the governments, along with the FIM and FIM Europe.
