FIM MXGP/MX2/Women's World Championships

2022 Calendar UPDATE, 20 July

MXGP of Oman Postponed

It is with regret that the FIM, Oman Automobile Association (OAA), Infront Moto Racing and local organisers advise that the MXGP of Oman, which was set to host the finale of the 2022 FIM Motocross World Championship at the end of September, will not take place in 2022.

Instead, the 2022 MXGP season will now come to a close with the final round at the BitCi MXGP of Turkey hosted at the well-known Afyonkarahisar circuit.

While the MXGP of Oman will not be held this year, Infront Moto Racing is working closely with the Organiser to hold a future Grand Prix in Oman and as such is looking forward to visiting the country very soon.
