FIM Sidecar World Championship

2020 Calendar, UPDATE 29 MAY

With the ongoing impact internationally and continued travel restrictions due to the Coronavirus disease (COVID-19) pandemic, the FIM and RKB-F1/Santander Salt Ltd organisational team have had to make the following changes to the 2020 calendar.

With the support of the Hungarian Motorcycle Sport Federation (MAMS), the round originally scheduled at Pannonia Ring on 27-28 June is now postponed to September, the new date is to be confirmed.

For the same reason, the British round initially scheduled on the 25-26 of July at Brands Hatch is postponed. The Promoter, the FIM and the Auto Cycle Union (ACU) are working to find a new suitable date.

We would also like to thank everyone involved for their understanding during this period, as we continue to work hard to preserve as much of the 2020 championship as possible whilst taking into consideration and respecting all the protocols that are in place and whilst monitoring all the national announcements day-by-day in order to ensure the safety of everyone involved. Further information will be communicated in due course.

Revised dates are as follows:

DATE	VENUE	COUNTRY	FMN
TBC	TBC	Great Britain	ACU
29-30 August	Le Mans	France	FFM
04-06 September	Rijeka	Croatia	HMS
26-27 September TBC	Pannoniaring	Hungary	MAMS
03-04 October	Oschersleben	Germany	DMSB
17-18 October	Lausitzring	Germany	DMSB
24-25 October	Estoril	Portugal	FMP

About the FIM (www.fim-live.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 112 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
