FIM Speedway Grand Prix World Championship Wroclaw Poland Set for Speedway Grand Prix Double-Header

The FIM and BSI Speedway have announced that the 2021 Betard Wroclaw FIM Speedway Grand Prix of Poland, will now be set as a double-header event, taking place 30 July and 31 July at Olympic Stadium. Each night, riders will compete for the maximum 20 points per SGP round.

The Betard Wroclaw SGP double-header follows the 2021 Anlas Czech Republic FIM Speedway Grand Prix, which starts off the 2021 FIM Speedway Grand Prix season 16 and 17 July, and was previously announced as a double-header event as well.

"We are so grateful to our partners in Wroclaw for agreeing to run another double-header event," stated Paul Bellamy, SVP and Managing Director of Motorsports Events at IMG, which operates the FIM Speedway Grand Prix. *"After their successful double-header in 2020, we knew they were the perfect partner to host two events again this year. Thanks go to Andrzej Rusko and his team for their support, and allowing us to expand the SGP calendar that had previously been restricted this year, due to Coronavirus."*

Jorge Viegas, FIM President, added: *"I am looking forward to attending the double-header event in the prestigious Olympic Stadium in Wroclaw. Thanks to the excellent collaboration of all parties involved, we will enjoy an incredible FIM Speedway Grand Prix weekend in Poland. I would like to thank the Polish Motorcycling Federation (PZM), the championship promoter and the local organizers for their hard work and dedication. "*

Andrzej Rusko, WTS President, said: *"Last year's two rounds of Betard Wroclaw FIM Speedway Grand Prix were incredible events. I am confident that the competitors will once again deliver a championship "show" on the Wroclaw oval and this year's Betard Wroclaw FIM Speedway Grand Prix will be written in big letters again in the history of the speedway world championships and our city of Wroclaw."*

About the FIM (www.fim-moto.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 115 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
