# **FIM Track Racing Youth Gold Trophy & FIM Long Track Youth World Cup**

## **Calendars UPDATE 27 MAY**

It is with great regret that the FIM, the German Motorsport Federation (DMSB) and the local organiser have to announce the cancellation of the 2020 FIM Track Racing Youth Gold Trophy, FIM Long Track Youth World Cup and Training camp for 125cc and 250cc already rescheduled to take place in Diedenbergen, Germany from 20-22 August 2020.

This is due to the ongoing restrictions put in place by the German government regarding the Coronavirus disease (COVID-19) pandemic, which includes no mass sporting events until the end of August.

The events could not be rescheduled beyond the end of August, as many of the riders aged between 12-16 years old will be back at school / college, and such it was considered that their education remains the absolute priority.
