MOTOKIDS TRAINING SESSIONS

For more information go to www.mxsa.co.za

Moto Kids conducted two training sessions in June i.e. 16th and 23rd. Four kids who are part of the Moto Kids program, have entered the MSA Motocross Regional event at Terra Topia on the 7th July. This is our debut after two years of grassroots development.

The classes have been well attended and with many new enquiries. The kids have been having fun mostly, with the odd crash and some tears in between.

Thanks to all the parents for their commitment (leg work) in the program.

Special thank you to the sponsors: Motorsport South Africa, Sport and Recreation South Africa (SRSA), Yamaha Motorcycles SA, Honda West Rand, and Eddie Wantenaar of Dirt Bronco Raceway.
