The following Chassis Homologation is confirmed for the purposes of clarity with immediate effect:

- Karting chassis are homologated for use in South African karting according to the chassis brand which is linked to a CIK homologation number approved by MSA.
- The RS Kart complies with the CIK homologation 006-CH-15 and 87-CH-20 CIK FIA specifications for a Praga kart.
- Chassis with this homologation number are therefore eligible to be entered into, and take part in South African karting events as a Praga chassis.
- The RS Kart is not homologated as a chassis brand for use in South African karting and it may therefore not be marketed or raced as such in any form.
