## MSA NATIONAL KARTING CIRCULAR 5 OF 2020

Article 25 vi) of the 2020 National Karting Championship Regulations and Specifications lists homologated chassis BRANDS for the Kid Rok, Micro Max, Mini Rok and Mini Max classes. This list is a carry-over from the list of homologated chassis for the 125cc classes and Formula K and Praga chassis brands appear on this list.

Praga and Formula K are running on the IPK homologation number for their new models. Similarly, the CRG Mini Kart model "Black Mirror" is linked to a Tinini Group CIK homologation number.

For clarity, it is hereby confirmed that such chassis brands are deemed to comply with the regulations and are eligible for competition in South Africa provided they carry a valid CIK homologation number or MSA recognized ASN approval, and comply fully with the specifications associated with said homologation number.
