## MSA NATIONAL POLO CUP CIRCULAR 01 OF 2022

Affected parties should note that:

1. Due to a supply shortage of the 2022 specification of front bumper inserts, the controllers have decided that the "Trendline level" bumper insert, as detailed in the below image, will be supplied to all competitors, and **MUST** be used at round 1, Killarney Raceway, Cape Town. Further, the supply shortage of the front bumper insert is expected to be resolved for Round 2 and the 2022 specification **MUST** be used from Round 2 onwards.

2. The controllers have further decided that the only specification of the rear bumper spoiler that will be allowed is the specification that was used in the 2021 Championship season, as detailed in the image below.
