The final round of the junior grassroots program was held at very wet and muddy Dirt Bronco Raceway in Mogale. The early morning motocross track conditions greeted the young racers with some anxiety and a small headache for race organizers who had to reroute a section of the mx track because of the deep mud for smaller wheels. The entries in the enduro was half of the days total entrants. The conditions on the enduro course was perfect, with excellent marking. The enduro course was enjoyed by racers across all classes. The first motocross practice heats was tough on the smaller wheel bikes with many thrills and spills. After the practice heats the track began to dry out making for exciting racing. The 50cc Senior class was by far the biggest entry on the day with about 28 entries. Second was the 65cc class with over 20 entries. Total entries on the day was 88 racers. The racing was intense across all classes. Only one rider was injured and taken by ambulance. The group that trains regularly with me consisted of nine kids, namely Keegan Burns, Xander van der Watt, Franke du Plooy, Alex Bricknel in the 65cc. Keegan finished second overall. The PeeWee kids were Bohlale Mafokate, Mattheo Armoed, Luca Bergover and Alessandro Green. Bohlale aka LittleMan finished first overall in PW50 1A class .(4-6) At this event we entered Bohlale also in the 1C class (KTM50 4-6 YRS). He finished second overall in this class. The experiment paid off with fitness sufficient to race classes back to back. This junior athlete is very mature for his age and has a racers head that understood our days plan. He conserved energy wisely. Olwethu my other rookie finished all his races as the solitary entry in his class 3A. (CRF/TTR110 8-10) This class was down on numbers this event. The 85cc class had a few entries and two leading competitors were definitely not MotoKids level. The scoring of the event went well. Overall it was another successful Motokids race event.
