In order to ease concerns of competitors and parents regarding the access of parent/s to accompany minors (16 years and younger) should hospital admissions need to occur, the following procedure will be adhered to:

- The Medical Service Providers for the event in question will contact the hospitals that have confirmed to be on standby to verify the hospital policy regarding admission of minors.
- The event organisers will communicate this information via the electronic notice board.

Point 20 in General Circular 4 of 2020:

For clarification, Cross Country Motorcycle events are classified as endurance racing and the maximum team personnel allowed at an event for this facet shall be five (5) persons (excluding the rider) subject to the suitable documentation being completed, and in order, in advance of the event (refer point 11 in MSA General Circular 4 of 2020).
