eLearning

- eLearning has been introduced to assist in learning *m*SCOA online at your own pace (*the course should take about 5 days if you do it full-time*)
- The platform is easily accessible through Computers, Cellphones, etc.
- The course will be available for all government and municipal officials at a reasonable fee (*NSG indicated R300.00*)
- m*SCOA training material and the platform has been developed to accommodate the web-based environment
- Videos for different modules, and units have been embedded on the platform for further illustration of different topics
- Circulars and other legislations supporting specific sections or learning outcomes are attached for enhancing the training material and better understanding of the course
- eLearning is still at pilot stage to ensure that development is a success before it can be rolled out
- Municipalities will be informed once the platform is ready, and registration is open by March 2022.

2

Course structure

The course is structured as follows:

Module 1 – The fundamentals of *m*SCOA

- An overview of the Local Government Budget and Financial Management Reform Agenda and *m*SCOA Legislative Framework
- *m*SCOA implementation oversight (including the role of internal audit, risk management and councilors)
- Understanding the *m*SCOA segments

Module 2 – System and reporting requirements

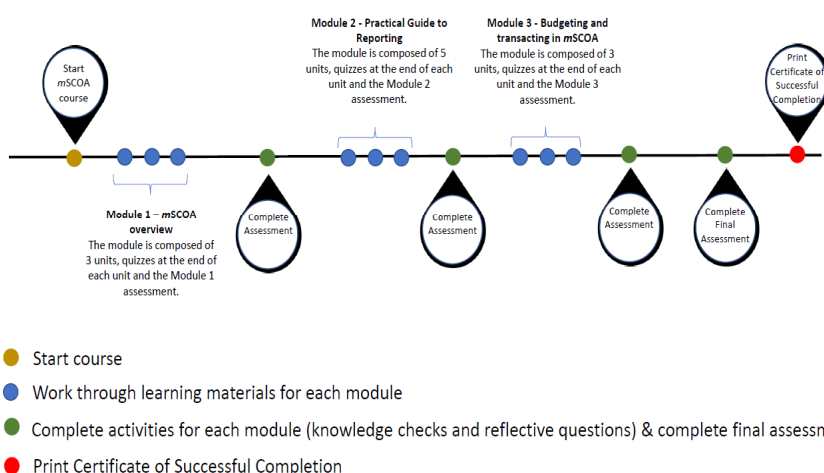

- An overview of the reporting requirements in a *m*SCOA environment.
- Key business processes that underpins *m*SCOA
- Minimum system specifications required to comply with the *m*SCOA Regulations
- Submission of documents and data strings to the National Treasury (i.e., registration process and upload process)
- Period Control and how to transact and report in period 13, 14 and 15

Module 3 – budgeting and transacting in a *m*SCOA environment

3

*m*SCOA Learning Path

*m*SCOA Learning Path for Financial Officials
