LATE AUDITOR-GENERAL KIMI MAKWETU SET AN EXAMPLE ON WORK ETHICS TILL HIS LAST DAYS

FOR IMMEDIATE RELEASE:

12 November 2020

GAUTENG, South Africa: The Chartered Institute of Government Finance, Audit and Risk Officers (CIGFARO) President, Mr Peet du Plessis, Board of Directors, Management and staff would like to take this opportunity to pay tribute to the late Public Servant Mr Kimi Makwetu, Auditor General.

His sudden departure has saddened many including CIGFARO as we have lost a giant and an honest public servant who dedicated his life in ensuring that public funds are spent prudently. He did not take any favour nor fear criticism when applying his mind on audit reports which were presented each year.

We are confident that the legacy he has left will never fade and his successor will take the baton and escalate the matter further in taking the reputation of the Auditor General South Africa to greater heights. CIGFARO CEO, Mr Tlaetsi, said: "South Africa, Professional Bodies and the Financial Institutions including Government in general, have lost a great leader in the Audit field."

President of CIGFARO, Mr Peet Du Plessis stated, "Indeed Mr Makwetu's sudden departure is a great loss to the country. Mr Makwetu set a fine example of work ethics till his last days." May his soul rest in eternal peace.
