GRAP 103 on Heritage Assets

CIGFARO is inviting you to attend an online webinar co-hosted by the Accounting Standards Board on GRAP 103 on Heritage Assets. The webinar's focus is to give feedback on the GRAP 103 *Heritage Assets* Post-Implementation Review

Objective

The objective of the feedback session is to share with stakeholders comment that the Accounting Standards Board (the Board) has received on GRAP 103 during its post-implementation review project. This session will also share the actions agreed by the Board to address the challenges noted during the review.

PROGRAMME INFORMATION

Who Should Attend:

Stakeholders that are involved in the preparation of financial statements and that account for heritage assets. Users and other with an interest in the accounting for heritage assets are also welcome.

Duration:

The webinar will be held over two hours. This is to enable sufficient time to answer specific questions on the subject matter. The webinar will commence at 14:00 and will close at 16:00

The Presenter:

The webinar presenter and facilitator will be Amanda Botha, Project manager at the Accounting Standard Board
