1 in 4 South Africans is affected by cancer.

02 Sanlam Cancer Benefit

Many of us think it won't happen to us, but the reality is that cancer affects a staggering 25% of South Africans.

As Wealthsmiths™, we believe in planning for tomorrow to safeguard your future. This is why we've introduced the Sanlam Cancer Benefit, designed to give you and your loved ones proper financial cover.

A cancer diagnosis can take a serious toll on the cancer patient as well as their loved ones. Even if you have medical aid and gap cover, cancer treatment can be very expensive and place heavy financial strain on you and your family.

- ④ The Sanlam Severe Illness Benefit helps you cover additional costs like travel to treatments centres, employing a carer for your children and missed work days.
- ④ The Cancer Benefit covers you for a wide range of cancers and related illnesses.
- ④ The Cancer Benefit is available as individual benefits, or can be selected in combination with other benefits, including other severe illness benefits.
