## **WPA 50km & Interprovincial Race Walking Team Qualifying Criteria and Guidelines**

### **Event:**

SA 50km & Interprovincial Race Walking Championships – 27 October 2018 Cape Town

### **Selection Philosophy:**

WPA is committed to providing its athletes the opportunity to compete at Athletics South Africa Championships. WPA recognises the importance of selecting those athletes who will be able to contribute best to the continued success of athletics in the Province whilst acknowledging the support that its athletes give to the association and the sport as a whole. WPA sees the SA 50km & Interprovincial Race Walking Championships as both an important event in the development of young walkers as well as an elite event in the Open age groups providing athletes a pathway to international selection.

For the avoidance of doubt this philosophy statement is not to be regarded as part of the selection criteria. It is included in this document as a guide to those aspiring to the Team and also as reference in understanding selection decisions.

### **WPA Race Walking Commission Selection Objective:**

WPA's selection philosophy is to select athletes in WPA teams whose current results indicate that the athlete is capable of being competitive at the national level and will be a worthy representative of WP Athletics. Given WPA's commitment to developing sustainable talent it is the express intention to weight the team in favor of this objective.
