POPI ACT

ARE YOU READY?

The Protection of Personal Information Act (POPI Act) commences on 1 July 2021. The contents of this Act affect everyone working with personal information which includes the storing, presenting and processing of personal information and even the editing and transferring of documents from one device to another.

IAIAsa invites you to a webinar on the POPI Act and how it affects practitioners in the integrated environmental management industry in conjunction with

forestry, fisheries
& the environment
Department:
Forestry, Fisheries and the Environment
REPUBLIC OF SOUTH AFRICA

DATE: 9 JUNE 2021
TIME: 10H00 - 12H00

free to IAIAsa & ELA members
R200 for non-members
